The screenshot displays the Autodesk BIM 360 GLUE software interface. On the left, a navigation menu lists several steps: 'Upload Models' (checked), 'Open Models', 'Find and Manage Clashes', 'Create and Share Markups' (checked), 'Access Models on iPad', and 'Video Gallery'. A progress bar at the bottom of the menu indicates '5 steps remaining'. The main content area is titled 'Create and Share Markups' and includes the following text: 'You can create and share design markups in real time. In a model, click Markups. Click + Add to use the Markup tools. To share a selected markup, click notify, select team members and click Send.' Below this text are links for 'Show Me' and 'Learn More'. On the right, a 'Markups' panel is shown with a list of items: '+Add', 'Edward Roy Markup 1' (with a red dot), and 'Edward Roy Markup 0'. A green arrow points from the 'Markups' icon in the toolbar to the 'Markups' panel.
