About This Game

It's streams are clean, the forests lush and the local wildlife is hungry.
You're cold and in need of shelter as you hear other voices on the wind. You are not alone.

Your quest: Establish civilization and secure their safety in this new world.

Your Quest is a casual 2D Strategy/RPG with progressive gameplay where you gather resources to construct a village, craft new weapons and armor, and try to survive the depths of a procedurally generated dungeon under the surface.

Features

-
- Turn-based Combat
 - Village Building
 - Craftable Armor and Weapons
 - Village Raids
 - Procedurally generated dungeon
